

Sistema de Garantia Interna de la Qualitat

The Quality Assurance includes all activities to verify and ensure the quality of teaching developed by the Faculty of Medicine, as well as building and maintaining the trust of students, teachers and society. It is for this reason that the University of Lleida has designed a System of Internal Guarantee of Quality degree (IQAS) [/sites/Medicina/export/sites/Fm/presentacio/Presentacio_SGIQ_de_la_UdL_catala.pdf] which has been certified by [AQU Catalunya](http://www.aqu.cat/) [<http://www.aqu.cat/>]. The internal quality assurance system guarantees that a degree is managed according to a set of procedures that are reviewed continuously to identify the aspects that can be improved. Each faculty and school of the University of Lleida has its own internal quality assurance system, but most of the procedures that are part common to all universities.

The University of Lleida is equipped with its own [Quality Office](http://www.udl.cat/serveis/oqua.html) [<http://www.udl.cat/serveis/oqua.html>], which thanks to mutual support with the Faculty of Medicine enable the design, implementation and monitoring of programs and evaluation and quality improvement plan in accordance with the general policy Vice President for [Science and Technology Policy](http://www.udl.cat/organs/vicerectors/vpc.html) [<http://www.udl.cat/organs/vicerectors/vpc.html>].

Internal Guarantee System of Quality of the Medical Faculty is reflected in:

- El Quality Manual of UDL [/sites/Fdet/export/sites/FDE/qualitat/Manual_de_Qualitat_UdL.pdf] , which provides quality policy and management model of the university.
- El  General Procedures Manual college [<http://www.udl.cat/serveis/oqua/qualitat/procediments.html>] which sets out the procedures developed in the same way throughout the university.
- El System Manual Internal Guarantee of Quality (SGIC) of the Faculty of Medicine, [/sites/Medicina/export/sites/Fm/presentacio/SGIQ_FM.pdf] which includes the organization of the center, to manage the organizational structure and internal quality assurance [specific procedures](http://www.udl.cat/serveis/oqua/qualitat/ProcedimentsDeCentre/ProcedimentsDeCentreFM.html) [<http://www.udl.cat/serveis/oqua/qualitat/ProcedimentsDeCentre/ProcedimentsDeCentreFM.html>] [of the center](http://www.udl.cat/serveis/oqua/qualitat/ProcedimentsDeCentre/ProcedimentsDeCentreFM.html) [<http://www.udl.cat/serveis/oqua/qualitat/ProcedimentsDeCentre/ProcedimentsDeCentreFM.html>].
