The countdown to the start of the 2026-2027 academic year at the Faculty of Medicine has begun!

On 14 and 15 September, we will welcome the new academic year with our Welcome Days for new students.

From the Faculty of Medicine, we would like to warmly welcome you all, especially those of you who are beginning this new stage of your university journey with us.

We encourage you to approach it with curiosity, commitment and enthusiasm, making the most of everything the Faculty has to offer as you grow into future healthcare professionals.
